Find clients now in the largest Construction Community in Europe from tendering to purchasing.

Do business with numerous of corporate buyers from the Construction Community and their subsidiaries

When you wake up early working on site, there's not much time to look for new jobs. It's tough.

There are good reasons to look for new clients

- Maintain a steady workflow that ensures your stability.
- Diversify your risk reducing dependence on the same customers.
- Grow your business and boost your revenue.
- Strengthen your reputation and expand your network.

Actions to take with your regular customers to keep growing safely

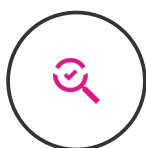

- Stay on top of every project they launch.
- Leverage your CAE reputation and status as a prequalified company.
- Protect your position from new competitors.

Get more business

Marketplace offers you tailored solutions for every key moment

Find leads

Discover new business opportunities in one single place, saving time on prospecting and commercial outreach.

- Access tenders, awards, new projects and ongoing works from a wide range of public, private and first hand sources, all from the ten of thousands of projects running through Nalanda.
- Discover purchases, studies and request for interest you weren't originally invited to, and apply.
- Filter by project stage, location, budget, activities and more.
- Save your searches and track updates through alerts with changes and new developments.

Follow leads

Be discovered when buyers are looking for suppliers like you.

- Receive request for quotation and expression of interest from procurement managers, site managers and technical teams across hundred of construction groups.
- Reply your way, quickly, and track all the invitations that matter to you.

Supplier profile

Showcase your company in the most used business directory in construction and join their supply chain.

- Demonstrate your compliance status, sustainability practices and financial strength.
- Display verified information about your previous work where you completed CAE processes for our customers and get automatically listed in their supply chain.
- Receive invitations to join the supply chains of new construction groups including building, services, concessions and more.

Our mission

“

Our mission is to empower our clients to capture and secure new revenue opportunities sustainably, manage risk and regulatory compliance effectively, and improve efficiency and sustainability across the entire supply chain.

We are committed to driving innovation and excellence, ensuring our clients achieve their business goals in an ever-evolving market.
